

# 2020 – 2021 School Supply List

## Pre-Kindergarten

	Item	Quantity
	Large Package of Paper Towels	1 pkg
	Kleenex	1 Box
	Gallon Ziplock Bags	1 Box
	Q-tips	1 pkg
	Shaving Cream	1 Can
	Hand Sanitizer	1 bottle
	Clorox Wipes	1 pkg
	Individually Packaged Non-Perishable Snacks (ie: fruit snacks, goldfish, pretzels, animal crackers, cereal bars, raisins, yogurt or apple sauce pouches, graham crackers, Chex-mix, cheese or peanut butter crackers, popcorn, etc.)	2 Bulk Boxes

### Please label the following:

- Plastic box with lid
- Dollar Tree clay opened and placed in Ziplock bag (will come with four colors, just include one)
- Small package of crayons (any brand is fine) 8 count **NOT** enlarged for small hands
- Hole punch
- Gallon Ziplock with extra underwear, socks, and flipflops (sometimes shoes get wet after accidents)
- Water bottle filled at the beginning of each day
- Red/blue wipeable nap mat that can be purchased at Walmart or Mardels. A large beach towel or blanket that can be folded in half like a sleeping bag works best. In the past we have had students with nap mats so big they took up their entire space of their locker leaving no room for a backpack or jacket. Children will be shown and will be expected to place these items where they belong themselves. If there is no room, it is very difficult to do this. Please only bring a blanket or beach towel.
- Lunchbox that the child can independently open. Water bottles will be kept in the room so a separate drink will need to be available for lunch. A sippy cup or re-useable water bottle works best.
