The LCS Difference

Early Beginnings

Lubbock Christian School began in 1954 as a kindergarten and graduated its first senior class in 1965. The school has prospered through much prayer and hard work by teachers, parents, and friends. Located on the west side of Lubbock and adjacent to Lubbock Christian University, the school's physical campus includes seven educational buildings, a football field, a baseball field, a softball field, and a playground. Lubbock Christian School is proud to offer 3-year-old through 12th grade classes, dual credit, mission opportunities, and much more.

Mission

Lubbock Christian School is dedicated to providing a quality environment in which each student will grow in wisdom and stature and in favor with God and man.

THE VALUES OF LUBBOCK CHRISTIAN SCHOOL			
<p>Devoted to God's <i>Word</i> </p> <p>We are devoted to knowing, teaching, and living God's Word.</p> <p><small>These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. <i>Deuteronomy 10:6-17</i></small></p>	<p>Led by the <i>Spirit</i> </p> <p>Our interaction with students, families, co-workers and visitors is guided by the Spirit.</p> <p><small>But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. <i>Galatians 5:22-23</i></small></p>	<p>Shining <i>Light</i> </p> <p>Our lives and our campus are a visible reflection of our faith.</p> <p><small>You are the light of the world. A city on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on a stand, and it gives light to everyone in the house. In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven. <i>Matthew 5:14-16</i></small></p>	<p>Committed to <i>Excellence</i> and Improvement </p> <p>We strive for excellence spiritually, personally, and professionally with a persistent focus on improvement.</p> <p><small>Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving. <i>Colossians 3:23-24</i></small></p>

LCS Philosophy

Biblical World View

We believe that God has disclosed himself and his intentions through the revelation of his Son, Jesus Christ. Sin, however, has distorted man's view of God, of creation, of himself, and of his fellow man. Consequently, we believe that true education is an ongoing process whereby we are led to better understand ourselves and the world. This is leading us to ultimately comprehend it as God's world. Further, because God has created us as persons in community, we believe that true education involves learning to live together with all persons as the family of God. It is our understanding that all truth, properly understood, is God's truth and should be pursued and celebrated as such. Thus, those who are charged by parents to participate in the education of their children must integrate biblical faith with all disciplines in order to help the student view himself and his world through the eyes of faith. Teachers must exemplify this faith personally because Christian education has as much to do with character and conduct as it does with data and facts. It includes the development of dispositions, attitudes, and conduct that reflect faith and trust in the Creator and Redeemer of the universe.

Graduate Profile

Mark 12:30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.

The faculty, staff, and administration of Lubbock Christian School created this graduate profile to show people what our desire is for them while they are at Lubbock Christian School. Whether we have them for 1 year or 12 years, we are working to partner with family and church to help grow a well-rounded person. We believe students social, spiritual, and physical experience is just as important as their intellectual experience as they leave Lubbock Christian School to attend college, begin a professional career, and be a shining light. See the full LCS Graduate Profile attached.

LCS Curriculum

Bob Jones University (BJU)

Lubbock Christian School is grateful and excited that we are well under way with our efforts to better teach students a biblical world view through the content that we deliver each day in every classroom. New curricular materials were purchased from BJU in 2018 to catapult this initiative and have contributed to accomplishing the goal of being more fully based in biblical truth. These Bob Jones University Press materials are being used daily and are a tremendous resource for our teachers to deliver lessons through a biblical lens.

Biblical Worldview: In Christian education, the Bible is discussed in Bible class and chapel, but how does it apply to other academic subjects? We shape each subject according to the lens of Scripture. Each discipline takes on new meaning when we apply the themes of Creation, Fall, and Redemption.

Academic Rigor: Our educational materials are not just biblically faithful, they are also academically sound. Our materials use hands-on learning, creative problem solving, and other research-proven instructional strategies to motivate students to take an active role in learning and to master age-appropriate material.

Critical Thinking: A complete education goes beyond facts and processes, so our textbooks direct students to think for themselves. They are encouraged to use discernment and to consider their worldview in everyday situations. Our textbooks help students to develop skills in critical thinking with inductive teaching, hands-on learning, and probing questions.

Technology Solutions: Teachers are looking for innovative ways to engage students in learning.

College Readiness

Testing

Lubbock Christian School students take the ACT and SAT. We measure student college readiness by ACT scores.

The average ACT score for Lubbock Christian School students is 23 where the state average is a 20.8.

Lubbock Christian School offers an ACT prep class to secondary students. Many students have greatly increased their ACT score after diligently participating in this class.

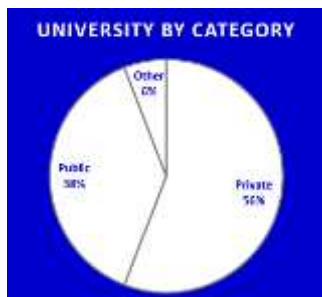

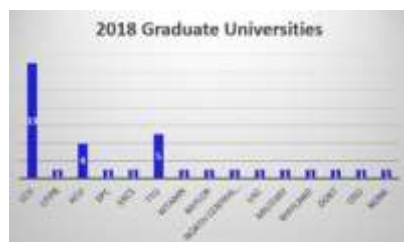

Dual Credit

Students are eligible to take dual credit courses beginning in 11th grade through LCU, Tech, and South Plains. Many students graduate with 12 - 15 hours of college credit.

Universities

Why our Students are Succeeding

We believe the key to our students' success is that they know how to learn and manage their time when they begin college. We encourage students to be involved in as much as they can for as long as they can. This prepares students to manage the busy time frame for today's college students that include, studies, work, networking, social clubs, and personal time.

Involvement

We believe student involvement is essential to the success of their time at Lubbock Christian School. LCS offers many opportunities for students to grow their passions and develop spiritually, socially, intellectually, and physically.

Elementary

Elementary students participate in art, computer, music, PE, and more. At Lubbock Christian School, we provide a well-rounded experience for students no matter what their interests are. We feel it is important for students to experience a multitude of activities as they mature to develop a love for learning in different settings. Lubbock Christian School does not provide organized sports programs for elementary students.

Junior High

Junior High students have the opportunity to participate in many activities at Lubbock Christian School. These include: band, art, art competition, NJHS, academic meet, PE, football, basketball, volleyball, track, golf, and cheerleading (8th Grade only).

High School

High School students have the opportunity to participate in many activities at Lubbock Christian School. These include: band, art, art completion, NHS, multiple academic meet competitions, one act play, yearbook staff, choir, book club, writing club, office aid, chapel duties, PE, football, basketball, volleyball, track, golf, softball, baseball, cross country, swimming, cheerleading.

MVP (Most Valuable Parent) Involvement Program

To build community and provide students the opportunity to see adults modeling community service through their involvement, Lubbock Christian School families are required to serve 20 hours per household or 10 hours per single-parent household each school year. Families who choose not to participate can "buy out" of the program in lieu of service for \$200 (or \$100 for a single-parent household).

Spiritual Growth

Chapel

All students participate in daily chapel. Elementary chapel is at 8:00 AM before classes begin and secondary chapel begins at 9:00 AM. Chapel consists of singing, lessons, actives, and fellowship. Age appropriate lessons are given by members of LCS faculty and the Lubbock community. It is our desire to provide fun experiences for students as they grow in their faith.

Once a month is All School Chapel. This is a day students participate in a mentoring program and fellowship with the whole school.

Bible Class

All students attend daily bible class in addition to chapel. Each year every grade level covers a different section of the Bible as they begin to form their own worldview. Our desire is that students develop a Christ-centered world view through a personal relationship with Jesus Christ, experience, and knowledge.

Missions

Students participate in various outreach efforts and mission trips throughout the school year. Elementary classes serve others locally. Secondary students have the opportunity to serve others locally, stateside, and internationally. The week before Spring Break is considered Missions Week. Classes are canceled for 7th - 12th grade and every student participates in service.

We believe this is important for students as they learn they can serve others no matter what they are doing. We do not have to leave the country to be an encouragement to others.
